CLASSIC

DEDICATION

This yearbook is proudly dedicated to our brave and true hero, Mr. Harry Richardson. You, Mr. Richardson, as our senior class advisor, helped build up our treasury and our opinions of ourselves as a class. You took the senior class, which was at the time disorganized, and unified it. We are proud to be the first graduating class of the 1980s. Without you, Harry, we would have never done so well. We understand that the position of class advisor is time-consuming and headache-producing. We thank you, therefore, for all the trouble you have gone through to make our last year a memorable one.

Finally, Mr. Richardson, you know we all "adore" you, but when are you going to learn how to calm a class meeting?

GRAFTON HIGH SCHOOL 1980

REMEMBER WHEN . . .

Remember when room 10 was room 13,
Mrs. Miller wasn't here? (I can't either)
There was such a thing as football parties?
The football team almost won a game!
Remember when we had a better season in hockey? (me
neither)
We had a worse season in basketball and football? (keep
tryin' guys)
The seniors WON the volleyball tournament!
The bomb scares that everyone got caught taking off from?
Remember when we didn't have a class advisor, and Harry
was the only one brave enough to take over (thanks
Harry!)
The teachers' strike and the February vacation we weren't
supposed to have.
Mr. Orkieski taught English,
And Mr. Lynch taught history? (or weren't you here?)
The chorus was out of debt after "My Fair Lady"?"
Remember when we knew it was "okay" to go into the
bathroom without saying it?
Remember sneaking cigarettes in the bathroom — always
on the lookout for Mrs. Langas.
Betsy didn't have a bun?
The parties, that were advertised in the bathrooms, were
raided?
We didn't classify JOCKS and FREAKS?
Remember when Bob Dunne had both feet in working
condition,
And Laura Drackley broke a leg, then her other leg? (thank
God she only has two)
We had the munchies and the hangovers?
Goober didn't have anything to say?
Jean Markt could keep her attention span at three seconds?
Joanie did the disco worm in math class?
It was whimpy to wear alligator shirts and docksiders?
Remember whimp day, hat day, and 'bustin out in '80' day?
We tried to get a President's All American Physical Fitness
badge (now the equivalence of a bozo badge)

We had a "great time" at the junior prom?
Remember Gail Atchue's first prom when all the
dishwasher came out to watch her "dance"?"
When arena scheduling went smoothly? (when???)
We sold Mr. Lemay for 75 cents at the auction?
Mr. Leacu's macho yardstick that he never went anywhere
without?
Remember our surprise the first time we saw Mr. Cormier
jumping on and off of the desks like a frog?
Mr. Cormier shaved his beard off, and Mr. Richardson
grew one? (I think they planned it that way!)
Remember eating all those green M&M's?
The potential food fights that were always found out before
we even had them.
Coming to school with all good intentions and leaving
promptly at 7:45 a.m.
Remember when four senior guys kidnapped a cheerleader
for the Thanksgiving Day football game?
We thought we had all the time in the world to pick
colleges?
We had our class pictures taken (over, and over, and
over . . .
Stretch asked eight girls to the senior prom?
Back in Middle School it wasn't so hard to pick
superlatives?
Remember when religion came to our school through
pamphlets in the parking lot?
Jeff Ward was nice?
We went for the gusto and landed in the bushes?
Remember the wonderful smell of Lake Ripple in the
springtime?
When you know who decided we needed a new door in the
boys bathroom and shoved Todd through the wall?
Remember when Wolfy, the senior class president, hit a
parked car?
Remember all the fun times we'll cherish for the rest of our
lives!

CLASS OFFICERS

President — Paul Bayrouty

Vice-President — Barbara Ann Mangano

Secretary — Jayne Wheeler

Treasurer — Greta Yeadon

Class Advisor — Harry Richardson

ACTIVITIES AND SPORTS

MY FAIR LADY

MY FAIR LADY

In February of 1980, the GHS Music Department put on the play, "My Fair Lady." In this performance, Professor Higgins (Bob Parlin), with the help of his friend Colonel Pickering (Mark Baker), tries to change Eliza Doolittle (Carol Simpkins) from an uneducated cockney to a lady. Mary Brosnan played Mrs. Pearce, the head maid. The character of Mrs. Higgins was played by Jeannie Lynch. Barbara Mangano portrayed the role of Eynsford Hill and Beth Enman of Mrs. Hopkins.

The play was directed by Brenda Johnson and Pauline Serra. Congratulations to Mr. Orkiseski, the band and chorus, and all participants on a fine performance.

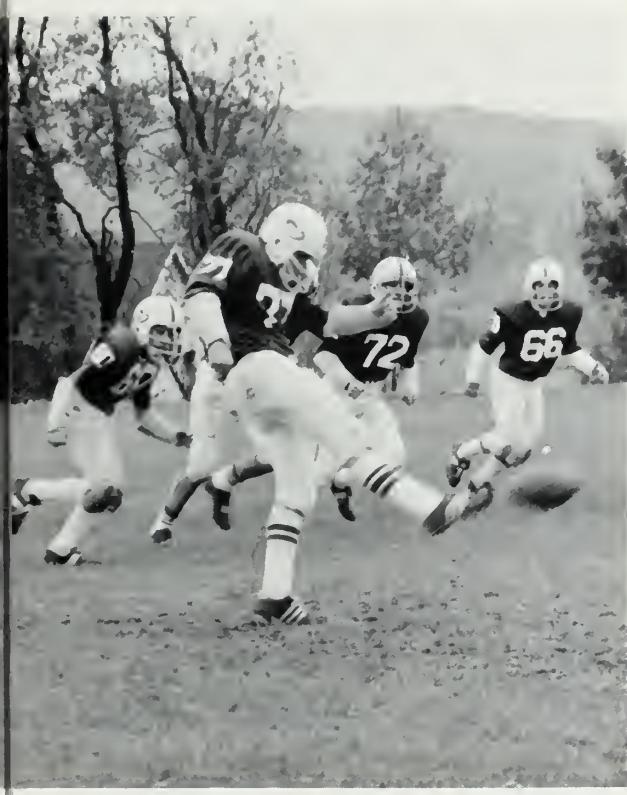

Football 80

FOOTBALL

Despite a strong effort, the football team, led by captain Dick Pieleski, had a very disappointing season. The team, however which is young and still rebuilding, showed good sportsmanship and much promise for future years. Senior players were Dick Pieleski, Bob Dunne, Chris Haggard, Bob Fox, David Kaczynski, and Mark Shepherd.

Cheerleaders 80

CHEERLEADERS

The fact that the cheerleaders were coachless this year did not stop them. In fact, for the first time in twelve years, with the assistance of Mrs. Kaufman, the basketball squad competed in the 33rd annual tournament at David Prouty High School. The girls prepared many long hours for this tournament and are to be congratulated on a fine performance.

Co-captains: Patty Casey — Janet Poirier, Liana Mancuso, Darlene Rayner, Heather Rhodes, Kathy Rhodes, Sandy Amaral, Claire Boisvert, Debbie Dumas, Darlene Gosselin, Jean Hamilton, Julie Holmes, Nicole Joncas, Elaine Sweeney, Deena Torrey, Cindy Walden.

Field Hockey 80

FIELD HOCKEY

The girls' field hockey team, led by captains Carol Baskowski, Brenda Johnson, and Cindy Walden, finished their season with an impressive 10-0-4 record, capturing the SWCL championship. Entering into Districts 3 tournament, they suffered a disappointing loss to Notre Dame in stroke offs. Strong defensive and offensive lines, led by senior players, contributed greatly to one of the most successful seasons the team has had.

Cross Country 80

CROSS COUNTRY

The cross country team had a winning record of 9 & 6. Len Morley and Tim Welcome led the team as captains. They, along with senior Sean Burns, played a key role in the overall success of the team. For top runner Len Morley, his last year was a disappointing one as he was not able to compete in a large number of meets, along with the SWCL meet. The team did not do as well as they had hoped, but returning players look for continuing the success of a relatively young team.

Ice Hockey 80

ICE HOCKEY

After the team was cut to playing roster, three seniors, five juniors, four sophomores, and eight freshmen remained on the team. Another rebuilding year was in order. With lack of experience, captain Scott Powell and alternate captains Bob Fox and Rich Anderson could only hope to bring the ends together. Dan Mackowiak, the third senior, would make his contribution to the cause of defense. After eight games, the team was 4-4, and at the completion of the season they were 13-4-2, and league champions for the second time in three years. Tom Hussy was league high scorer and was elected to the All-Stars along with Scott Powell and Scott Novick.

BOYS' BASKETBALL '80

The Boys' Varsity Basketball team wound up the season with a 2-15 record. Although this season was not a winning one, the boys worked and played very hard against bigger more experienced competitors. Senior players were Bob Dunne, Dave Kaczynski, Pat Cadrin, and Bill Hall. Returning veterans for the 1981 season are Eric Johnson, Glenn Mewhinney, Gary Mewhinney, Sean Coonan, Ed Bourget, Tom Zastawny, and Jim Linde.

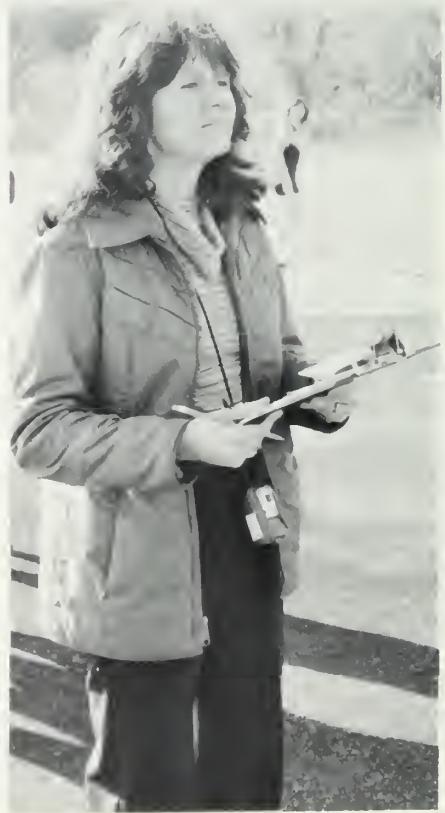

GIRLS' BASKETBALL "80"

Like many other sports at Grafton High, the Girls' Basketball team was at a state of inexperience and reconstruction. Senior players Gayle Lapointe, Debbie Houlden, Carol Baskowski, and Sandy Amaral lead the team. Returning players Chris Reed, Sue Cragan, Pat Masury, all of who are strong defensive and offensive players, Amy Mack, Alison Mack, Lisa Polselli, Maureen McGrail, Karen Frederico, Amy Crawford and Jean Joncas hope to rebound from this season to even greater quickness and agility on the basketball court.

GIRLS' TRACK "80"

The Girls' Track team had an extremely successful season. They placed 5th in Districts and 2nd in the SWCL meets. Although senior players Liz Maunsell and Carol Simpkins (captains), Sue Conway, Cindy Walden, and Reenie Bolduc will be missed, with a large number of under classmen, the team looks for increasing success in the future. Coach Pat Glispin hopes for outstanding performances from Karen Frederico, Jean Hamilton, Sue Cragan, Darlene Rayner, Amy Crawford, and the entire team in the spring of 1981.

BOYS' TRACK '80"

Although the team didn't win any titles, they ended the season with an impressive 8-3 record. Grafton's Boys' Track team was well represented in both the SWCL and the Districts meets. Having only three senior players, Len Morley, Dave Kaczynski, who had a record breaking season, and Tim Welcome, the team looks for much success again in the near future.

BOYS' BASEBALL "80"

The Boys' Baseball team started its season off slow. The fact that the team did not have a winning season was not, however, because of a lack of talent — but rather a lack of experience. Their first victory was a 3-0 shutout against Tantasqua pitched by Brian Stover. The team is young and progression is sure to produce a more promising season next year.

GIRLS' SOFTBALL '80'

The 1980 Girls' Softball team had one of the team's most successful seasons. After capturing the S.W.C.L. championship, the team didn't stop doing what it takes to win. Led through this outstanding season by captains Pat Jennings and Diana Scott, they defeated Hudson Catholic 16-0 for the District III championship and advanced into the state championship. With outstanding pitching by junior Pat Masury and fielding by Chris Reed, Robin Zakowski, Laurie LeClaire, and batting by Brenda Simpson, Kim Phillips, and Beth Zastawny the softball team looks for an equally successful season in 1981.

GIRLS' TENNIS '80'

The Girls' Tennis team was lead this year by three senior players, Beth Enman, Heather Johnson, and Barbara Mangano. Having lost a number of players, the team is on the verge of rebuilding. Liana Mancuso is a promising singles player and will be returning with fellow juniors Robin Conte, Donna Dahlstrom, Mary Sheehan, and Laura Holland to represent the 1981 Girls' Tennis team.

BOYS' TENNIS "80"

Ending the season with a 9-5 record, the Boys' Tennis team showed a great deal of potential. The seniorless team looks for continued success in the spring of 1981. Returning veterans for the team will be Eric Johnson, Mark Baker, Clay McGaw, Ken Chenis, Tom Flynn, Glenn Mewhinney, Bob Maynard, Richard Mataya, Rene Corriveau, and John Atchue.

Wyman-Gordon. We didn't invent wings, but we've helped Man fly to the stars.

Flight. Man's age old dream come true in the 20th Century. Wyman-Gordon Company has been an integral part of making that dream a reality. In fact, Wyman-Gordon has produced quality forgings for nearly every aircraft and space vehicle developed by the United States in the last 40 years. From the crankshaft for the famed Liberty engine that powered many World War I fighters, to structural components for NASA's Space Shuttle, and everything in between.

Forged turbine parts for jet engines that

generate more than 50,000 pounds of thrust at temperatures that can reach 1500 degrees F. Airframe forgings that can support more than 400 tons of jet liner.

Being successful in the aerospace industry means more than making a sale. It means anticipating industry needs, making sure the product performs as the customer expects, assuring the integrity and efficiency of the production process, and delivering on time. That's how we've forged our way to the stars.

**WYMAN
GORDON**
